# NYS VIRTUAL CAREER CENTER

A Resource for Job seekers

## WHAT IS THE VIRTUAL CAREER CENTER?

The Virtual Career Center (VCC) is New York State's premier online job search site helping people find their next career. Through advanced artificial intelligence (AI), job seekers can more accurately match their skills and experience to opportunities available with New York businesses.

The modern platform provides jobseekers the ability to communicate with potential hiring companies throughout the recruiting process.

New exciting job opportunities are added daily in every career field from agriculture to healthcare to high technology. Hundreds of businesses, from all economic sectors, are posting job openings on New York's VCC.

Thousands of job seekers from across New York State are using the VCC to jump start their career search and fulfil their career goals. Take a moment to register, upload a resume, and see if your dream job is waiting for you.
